

Book-eating Dragon Book Ends

Instructions

1. Print this page on card (or on paper then stick it to card)
2. Cut around the dragon head, tail and the two half circles. Ask an adult for help if you need it.
3. Cut into the slots, making sure you stop at the end of the line. Slot together the bases and the dragon parts to make your book ends. →

What you'll need

- Paper or Card
- Scissors
