

Number Skills Dinocows game

Included in this pack

- Instructions with snails
- Hungry Dinocow sheet

What you'll need

- One (or two) six-sided dice
- Scissors or guillotine

To play:

1. Print out both sheets and cut out the snails.
2. Decide what you'd like to practice:
 - I. One die = Numbers 1 - 6
 - II. Two dice = Numbers 1 - 12
3. Roll the dice to see how many snails the dinocow wants.
4. Feed the dinocow the correct number of snails!

Another way to play - play with a partner!

1. You roll the dice for your partner.
2. Your partner feeds the dinocow with the matching number to the number on the dice.
3. You check their work - if it's correct - say 'yum yum!'
4. Swap and take turns.
