

Numbers to 10 Display banner

Included in this pack

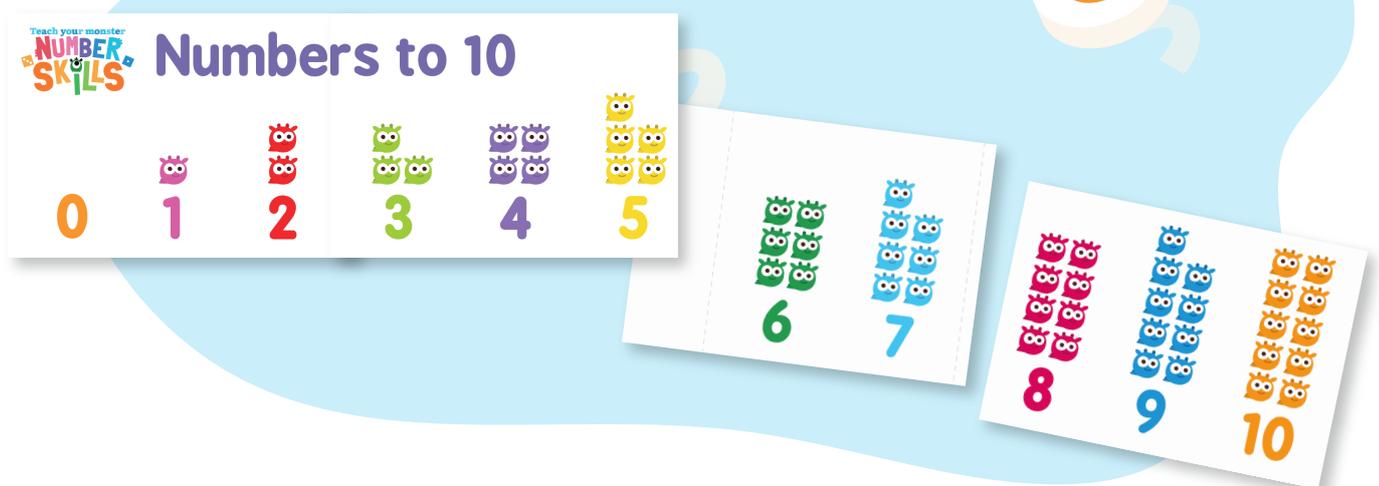

- 4 x A4 Number sheets

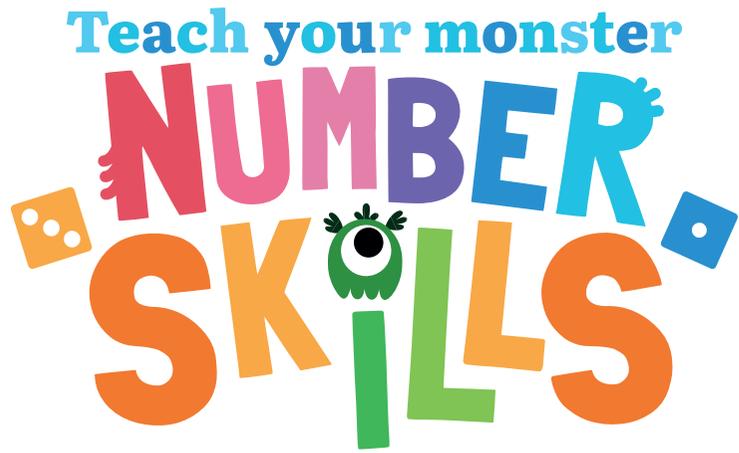

What you'll need

- Paper to print on
- Tape

Instructions

1. Print all 4 A4 sheets.
2. There is an overlap of at least 1cm on each page to allow for printing, this can be lined up so that your number line is evenly spaced. The dotted lines on the 6 -7 page indicate where the smallest piece should be aligned.
3. Tape the back of the numberline and display!
