Instructions

This handy book review is perfect for a bit of reflection time after finishing a book or during 'reading for pleasure' time.

Kids can draw pictures of the characters, colour in a star rating and tell you how the

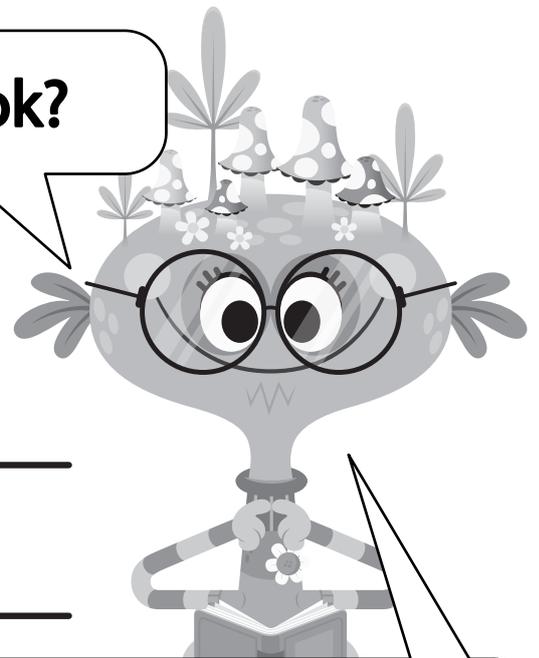

TEACHER TIP: Laminate enough copies for your class and use whiteboard pens to create reusable reviews for reading time.

What did you think of the book?

Book title:

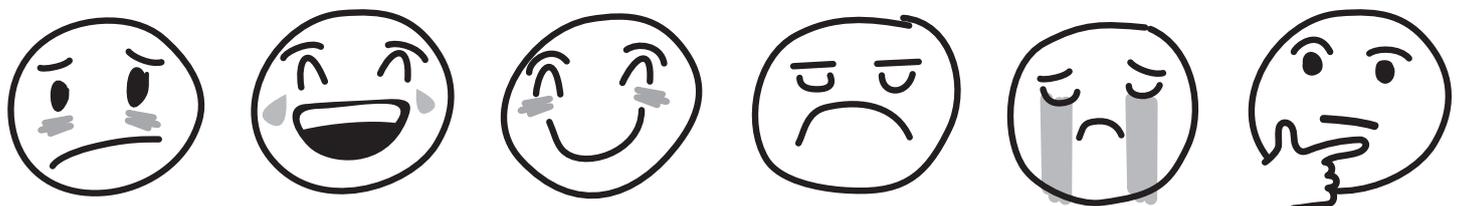

Can you draw me a picture from your book?

I rate this book:

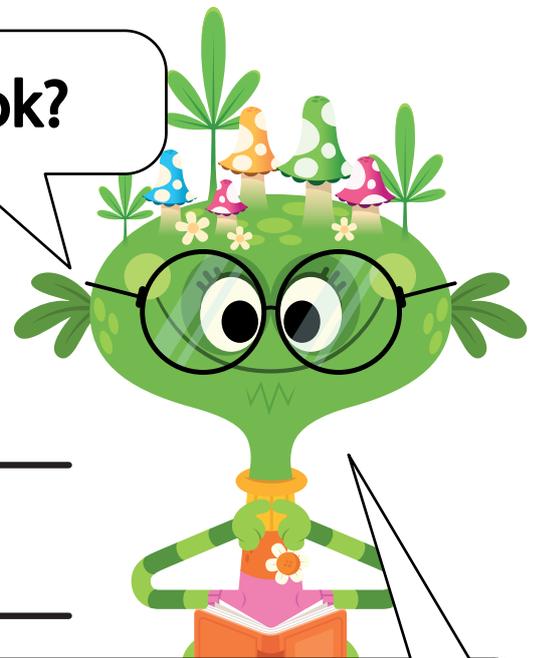

It made me feel:
