

Reading for Fun Bookmarks

Included in this pack

- Page 2 - Rectangle bookmarks
- Page 3 - Shaped bookmarks

What you'll need

- Card or paper to print on
- Laminator (optional)

Instructions

We've designed these handy bookmarks so that kids can read to their favourite villager from our game, Reading for Fun! Designed to 'peek' out from the top of the book, we've given you two options:

1. Quick and easy rectangles (good for guillotines)
2. Custom shaped bookmarks (good for scissor experts!)

Decide which you prefer and print! We recommend either printing on card or laminating these for long-lasting bookmarks.
